Using Biblegateway.com

The layout of BibleGateway has changed some since I created this handout, but it still basically works the same.

The screenshot shows the BibleGateway.com website. At the top, there is a yellow banner with the text "Sign up for the Verse of the Day and other new Bible Gateway email newsletters!". Below this is the BibleGateway.com logo, which is highlighted with a red box. The navigation menu on the left includes: Home, Passage Lookup, Keyword Search, Topical Index, Available Versions, Additional Resources, Reading Plans, Newsletters (marked with a "NEW" icon), Preferences, What's New, General Store, and Digital Store. The main content area features a "LegalAssistance" banner for Brotherhood Mutual, a "Quick search" section with a search input field and a dropdown menu set to "New International Version", and a "Verse of the day" section with a quote from Colossians 1:28. At the bottom, there is an "Editor's Picks from the New Bible Gateway Store" section featuring books like "NTse Hands on Bible for Kids, Hardcover" and "Swindoll's New Testament Insights on Romans". A red arrow points from a text box to the search input field.
