

**A Novel Approach to Discipleship
Blank Scripture Chart**

by Cheryl Okimoto
author of *Seasons of Change*

This is a simple scripture chart. It is intended for students who are still new to Bible study. When you get into deeper systematic theology studies, you will use a very similar but more detailed chart.

*Type? – Use this for a quick reference. Tailor the type to your specific study. For example, if you study healing, the types may be: *Example* = an actual situation where you see healing; *Information* = more general information about how or when healing is accomplished.
